

JOIN THE POOL PICKET LINE

located in
KENNEDY STREET, SUNSHINE
(behind Bi-Lo)

All our OUTDOOR pools are being DEMOLISHED to be replaced by ONE pool LESS THAN 3 FEET DEEP.

Too SHALLOW and too SMALL

WHY PICKET?

Not to delay works but to win a decent replacement for our 50M POOL that is OUTDOORS, DEEP and HEATED and under a retractable roof that can be closed and that is 100% funded by the State Government.

If the picket line is broken we will lose our 50m pool and outdoor pools forever at a cost of \$9 million in rates.
